

Joining us in Liverpool.....why stay just *anywhere??*

Welcome,

As the official concierge and accommodation bureau for BAPS 2018 we have been planning everything for your visit to Liverpool so you can save money, stay in the same hotels as other delegates and get exclusive access to the best hotels for the event.

Carefully Selected Hotels

All of the core hotels are the properties best located for The ACC. We've chosen the closest available hotels around the ACC and towards the centre of Liverpool.

Best Rates Guaranteed

We've negotiated rates that are the lowest available. Why pay more for the same room?
